

EDUCATIONAL DEPARTMENT

Devoted to the Interest of Jackson County Schools. Teachers and all Interested in Education are Requested to send in Items.

Miss Charl Ormond Williams, superintendent of schools of Shelby county, Tenn., has been chosen as president of the National Education Association. This is the first time that a county superintendent has been picked for this important position. It means a new recognition of the country schools and their needs. The selection by president Harding of John T. Tigert as U. S. commissioner of education is on the same line, as it is a part of his gospel that the rural schools must be raised to a higher standard.

Arbor School, Roaring River.

The school at this place is progressing nicely with full attendance.

Miss Elizabeth Overton entered school here last week.

Miss Edna Mabrey is convalescent after a very sick spell with typhoid.

Several from this place attended the Agriculture day at town Saturday.

Will Terry and Morgan Johnson, Lester and Vestal Morgan

visited their grand-parents, Mr. and Mrs. Warren Morgan of Cookeville, last week-end.

The following is the honor roll for the past month:

1st Grade—Zelma Mabrey, Henry Lynn, Ova Mae Lee, Louis Mabrey, Virgie Allen.

2nd Grade—Morgan Johnson, Ray Lee, Zenith Allen, Avert Lynn, Kirk Steward.

Parents, this is your school, you can make it a good school by seeing that children are in regular attendance.

The Reporting Committee,

Meigsville School.

We have just closed the third month of school and following is the grades that were made at

the close of the month.

1st Grade.

Orville Allen, 75; Benton Shepherd, 80; Thurlough Murphy, 75.

2nd Grade.

Johnie Moss, 93; Melvin Smith, 90; Elmer Swan 90.

3rd Grade.

Johnie Stafford, 95; Mamie L. Flynn, 90; Lena Mai Hamilton, 91.

4th Grade.

Mabel Hamilton, 96; Eula Smith, 85; Nannie Stafford, 95.

5th Grade.

Edgar Shepherd, 95; Georgie Smith, 90.

7th Grade.

Basil Hall, 96; Maude Flynn, 95.

The attendance for the past three months has been excellent, and I hope that the patrons will continue to send their children every day during the remaining three months of the school term. By sending your children regular for the sixth month, will give them a chance to complete a full grade, and thus be ready for an advance grade next year.

town with a wash pan of water in my hand, and it is not worth a Yuby Dam. Nearly all of my wigwams are now burned down,

I have no where to stay. I know what to do, I'll build me water works. The time is over ripe to use the big hose pipe in

the game and throw a mighty stream to put out the ugly flame.

I've put in waterworks in Yuby Dam. My eyebrows are sprouting out again. New bungalows are blossoming out where fires have been. I fear the fires no more on this side of Jordan's wave.

Red Cross Gives \$310,000 to Aid 'Clean-Up' Drive

An appropriation of \$310,000 for Red Cross work in connection with the "clean-up" campaign instituted by the Government to bring the claims of all disabled service men who are entitled to Federal aid before the proper government bureau for action, has been made by the American Red Cross. The Executive Committee of the American Red Cross in making the appropriation authorized the appropriation of \$35,000 of this sum to the American Legion to defray the expense of the Legion representatives assigned to the various districts of the Veterans Bureau.

The remainder of the appropriation was authorized for apportionment among the several Divisions of the Red Cross for carrying on that part of the "clean-up" work that falls directly upon the Red Cross organization.

HOME TOWN PAPER WEEK

Nation-Wide Movement Set for November 7th to 12th.

Every Four Corners has its Home Town week nowadays, but all the boys and girls who have wandered from the Township Center cannot get back to enjoy the loved surroundings. But all can subscribe to the old home town paper and thus keep well in touch with the little spot they once called home.

What joy to run over the school promotions and find that the tots of a few years ago are moving higher and higher in scholastic circles and eventually blossom forth as the "sweet girl graduates," or the clean strong boys discarding knickers.

Just watch that hardened old city coddler open up his home paper—it is the first thing he picks up out of his bunch of mail—and what can he find there to interest him? Angus McGugan's horse died yesterday; Peter McGregor will run for the county clerkship; Horace Jell hopes to win the secretaryship of the Hilltown Agricultural Society; Lydia Munger has opened a millinery store; Mrs. Brown lost her hand satchel in the butcher's; Dr. Dorland is attending Clara Brown, who is down with a severe cold; Mrs. Plater broke her ankle and is in the county hospital.

Yet though he smiles at the old-time styles and expressions he enjoys it all over and over again, for it takes his mind back home where his wonderful boyhood days—happy days—were spent.

Young America Sends Vast Relief To Needy Abroad

Various relief projects of the Junior American Red Cross in European countries resulted in helping 237,000 destitute children during the last fiscal year, according to the annual report of the American Red Cross for that period. The growth of the activities of the Juniors abroad is manifested by a comparison which shows this figure is 200,000 larger than that of the previous fiscal year.

The National Children's Fund raised by school children, members of the Junior American Red Cross, was drawn upon for \$420,557 for these projects. Receipts for the National Children's Fund during the last fiscal year totaled \$155,317.

America Succors Russians
Food, clothing and medical relief costing \$700,000 has been provided by the American Red Cross for the thousands of Russian refugees stranded last year in Constantinople and vicinity.

THE U.S. USCO TREAD

Here is the U. S. Usco Tread, with a long-established standard of service among motorists who have an eye to value, as well as to price. While selling for less than the other tires in the U. S. Fabric line, the Usco has earned a reputation for quality and dependable economy which is not exceeded by any tire in its class.

From the makers of U.S. Royal Cords to the users of Fabric Tires

"Giving to the fabric tire user fresh, live tires. Being made now. Being shipped now."

In all of modern merchandising the biggest conundrum is the fabric tire situation.

Around 70% of all car owners use fabric tires.

Their instinct for quality is as strong and insistent as any one else's.

Why, then, are they offered such hodge-podge stocks of "discount tires," "odd lots," "seconds," "retreads" and other so-called bargains of uncertain origin?

Sooner or later the public always seeks out quality. As a matter of self-protection—if for no other reason. The out-and-out opinion in favor of U. S. Fabric Tires has spread more this year than it ever did.

People have gotten very close to the U. S. policy. Felt it. Benefited by it. And passed the word along.

It's a policy settled to one standard for all U. S. Tires. Whether fabrics or cords. Small sizes or large.

Giving to the fabric tire user fresh, live tires. Being made now. Being shipped now.

All the original U. S. vitality and service comes through when you buy a U. S. Fabric Tire.

"Usco," "Chain," "Nobby." Three different treads.

Built by the same brains, the same policy, the same quality ideals that have made U. S. Royal Cords the standard measure of tire worth.
